Discover the Bingham Flexo Solution

HISTORY

Bingham Flexo Services was founded in 1991 by Ed and John Bingham. The company was founded on providing customers with unparalleled service through a wide knowledge base, quality products, experience, responsiveness and honesty. Our goal to establish, and maintain, long-term customer relationships through trust, service and standing behind our quality products and manufacturers.

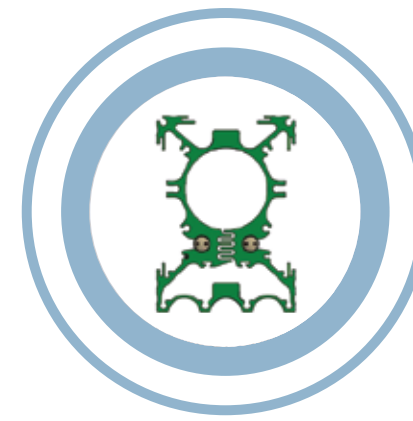

SPECIALTIES & SERVICES

The Bingham Flexo Services Team specializes in finding you the right corrugated packaging solution to fit your unique needs. With our strong partnerships, our offerings include doctor blades, ink pumping systems, strapping equipment, anilox rolls and sleeves, cleaning equipment, and more!

To help your current operations maintain their high print quality and consistency, we offer anilox, pump, and doctor blade audits, banded anilox testing, and pressroom training.

MANUFACTURING PARTNERS

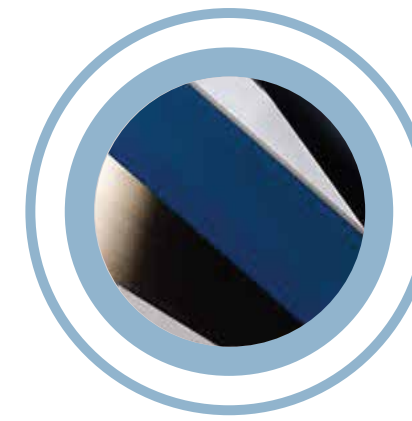

We are fortunate to partner with innovators and corrugated industry leaders who share our customer focused values. Our team works closely with these manufacturers to ensure our customers receive the highest level of quality and service.

Drying Solutions

Manufactured by FlexAir

- Highest energy efficiency
- Pre-heated nozzles
- Multi web width capability
- Enhanced turbulent pocket
- High pressure blower

Doctor Blades

- UHMW plastic
- Graphite
- Composite
- High quality steel
- Extended life steel
- Beveled blades
- Rounded edge blades
- Technical blade analysis

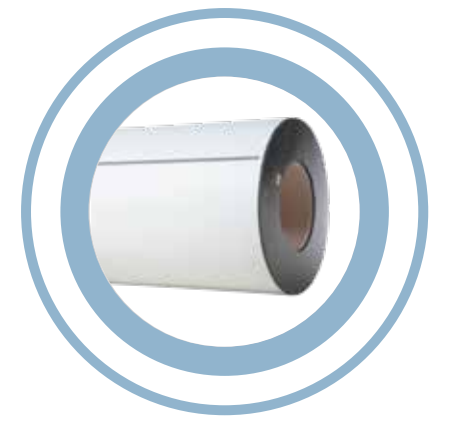

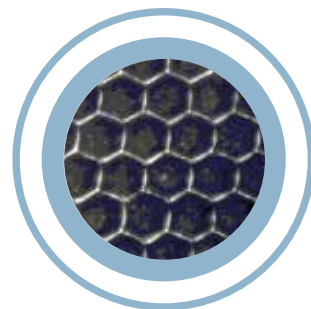

Plate Mounting Sleeves

Manufactured by Trelleborg

- Easy to mount
- Light weight
- Wide range of notch support options
- High quality consistent manufacturing

Anilox Rolls & Sleeves

Manufactured by Pamarco

- ThermaFlo laser engraved ceramic
- EFlo elongated engravings
- Channeled engravings
- Patterned engravings
- Cylinders and sleeves
- Mechanically engraved chrome
- Electronically engraved chrome

Anilox Cleaning Equipment

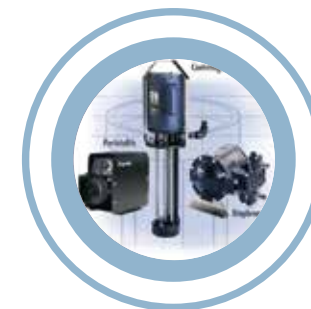

Manufactured by Eaglewood Technologies

- Sitexco laser anilox cleaners
- No chemicals or media
- Multiple cabinet sizes
- Capable of cleaning up to 4 rolls
- Sanilox baking soda cleaners
- In or out of press cleaning
- Express anilox cleaning service

Rubber Rolls & Sleeves

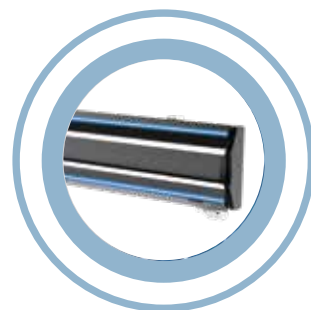

- Rubber and urethane coverings
- Metering rolls
- Applicator rolls
- Transfer rolls
- Impression rolls
- Straight and tapered sleeves
- Laser engraved rolls and sleeves

Pumping Systems & Filtration

Manufactured Graymills

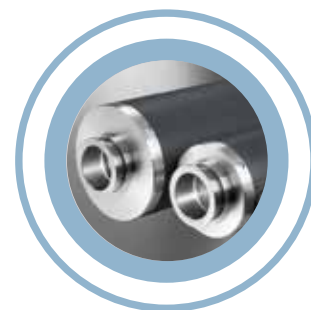

- Peristaltic pumps
- Double diaphragm pumps
- Centrifugal pumps
- Lids & tanks
- Filters & magnets
- Parts cleaning systems

Carbon Fiber Blade Chambers

Manufactured by Absolute

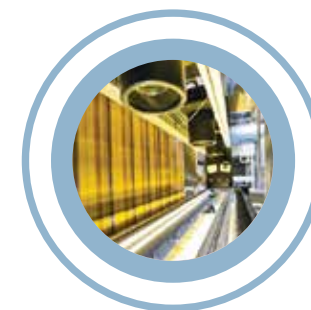

- 2G carbon fiber chamber
- 65% lighter than aluminum chambers
- Maintenance free
- Fast blade changeovers
- 15 Year no corrosion warranty

Carbon Fiber Bridge Mandrels

Manufactured by Inometa

- Pneumatically loaded bridges
- Hydraulically loaded bridges
- Filament wound carbon fiber
- High strength, low weight
- Increased press speeds
- Internally engineered

Print Inspection & Register Control

Manufactured by GrafiKontrol

- Matrix web viewing and print inspection
- Linex 100% inspection
- Progrex 100% inspection and web viewing
- Procheck waste management
- Chromalab in-line spectrophotometer
- CR33-CR34 color register control
- Printing, rewinding, metalization and extrusion

Viscosity PH Control

Manufactured by GAMA

- Viscosity control for solvent inks
- PH control for water inks
- Viscosity control for adhesives and coatings
- Uses vibration technology
- Accurate to 1%
- Temperature control
- Easy to clean
- Flexo and gravure
