Discover the Bingham Flexo Solution

HISTORY

Bingham Flexo Services was founded in 1991 by Ed and John Bingham. The company was founded on providing customers with unparalleled service through a wide knowledge base, quality products, experience, responsiveness and honesty. Our goal to establish, and maintain, long-term customer relationships through trust, service and standing behind our quality products and manufacturers.

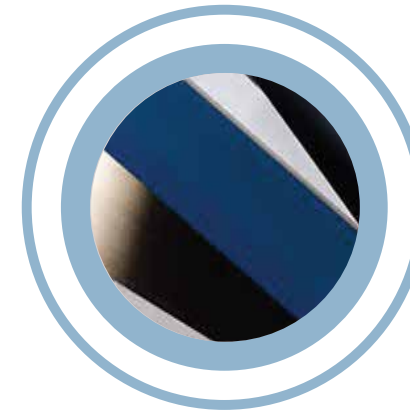

SPECIALTIES & SERVICES

The Bingham Flexo Services Team specializes in finding you the right corrugated packaging solution to fit your unique needs. With our strong partnerships, our offerings include doctor blades, ink pumping systems, strapping equipment, anilox rolls and sleeves, cleaning equipment, and more!

To help your current operations maintain their high print quality and consistency, we offer anilox, pump, and doctor blade audits, banded anilox testing, and pressroom training.

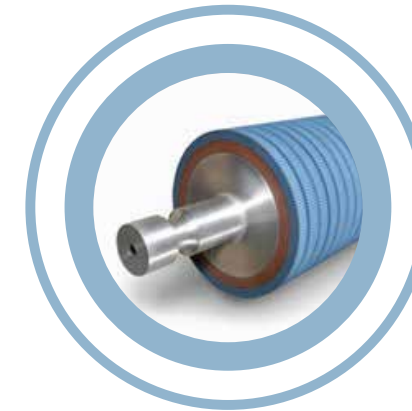

MANUFACTURING PARTNERS

We are fortunate to partner with innovators and corrugated industry leaders who share our customer focused values. Our team works closely with these manufacturers to ensure our customers receive the highest level of quality and service.

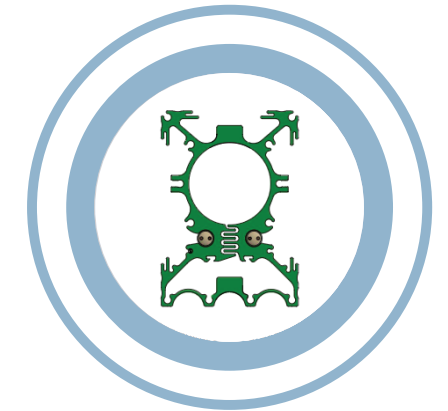

Doctor Blades

- UHMW plastic
- Graphite
- Composite
- High quality steel
- Extended life steel
- Beveled blades
- Rounded edge blades
- Technical blade analysis

Rubber Rolls

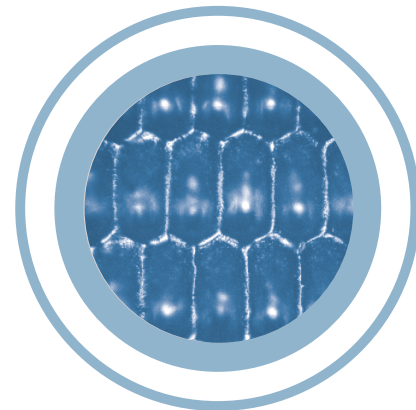

- Single & dual durometer feed rolls
- Straight & crowned wiper rolls
- Urethane & rubber elastomer
- Exit knife pull rolls

Drying Solutions

Manufactured by FlexAir

- Highest energy efficiency
- Pre-heated nozzles
- Multi web width capability
- Enhanced turbulent pocket
- High pressure blower

Anilox & Glue Rolls

Manufactured by Pamarco

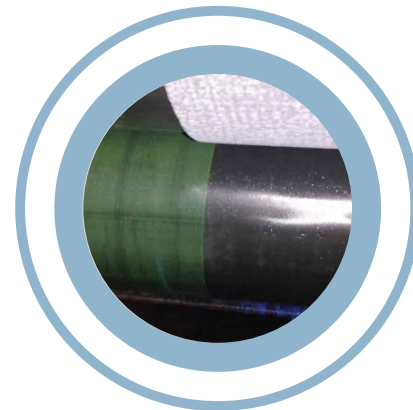

- Laser engraved ceramic
- EFlo engravings
- ThermaFlo engravings
- Mechanically engraved chrome
- Supplier preferred by OEM's

Anilox Cleaning Equipment

Manufactured by Eaglewood Technologies

- Sanilox in-press cleaning system
- Sanilox off-press cleaning system
- Fully automated
- Easy to operate
- Very low maintenance
- Dust-free
- Environmentally friendly

Anilox Cleaning Plate

Manufactured by Efficient Anilox Care

- Eliminates manual scrubbing
- Utilizes 50 micron-fiber bristles
- Works with any standard liquid anilox cleaning agent
- Durable & Reusable
- Custom made for any press size & roll size

Pumping Systems & Filtration

Manufactured by Graymills

- Peristaltic pumps
- Double diaphragm pumps
- Centrifugal pumps
- Ink pumps & tanks
- Filters & magnets
- Parts cleaning systems

Strapping & Strapping Equipment

In Partnership with Progressive Systems & Packaging

- Polypropylene bundler strapping
- Polyester unitizer (bander) strapping
- Strapping for Signode, Mosca, Samuels, etc.
- Warehoused in the Chicagoland area for fast service
- Fully automated strapping equipment

Viscosity PH Control

Manufactured by GAMA

- Viscosity, pH & temperature control for water inks
- Viscosity control for adhesives & coatings
- Uses ultrasonic vibration technology
- Accuracy to 1%
- Easy to clean
- Consistent color & print quality
- 10-15% ink saving
